

Weerts Group is a family-owned group, headquartered in Liège, Belgium, active in 3 key complementary sectors: Logistics, Real Estate and Motorsport. Geographically, its main activities take place in Belgium, Luxemburg, Germany, Hungary and Romania, but the motorsport team provides a window to the world, participating in races on five continents.

**The Logistics Division** provides contract logistics services on various sites in and around the Liège region (Belgium), as well as on the Audi manufacturing site in Vorst (Brussels, Belgium). Its turnover for 2019 is around EUR 45mio and it employs > 500 FTEs.

**The Real Estate Division** is embarked on an ambitious investment program, planning >EUR 400mio of investments for the next 3-5 years and is active in 3 assets classes in 5 countries; Residential Real Estate in Belgium and Luxemburg; Logistics and (semi-) Industrial Real Estate in Belgium, Germany and Hungary; Office Real Estate in Romania.

**The Motorsport Division** sees its racing team (WRT) participate in various championships around the globe (including the prestigious DTM-series). WRT's subsidiary AMP is active in manufacturing and preparing race cars. Turnover of the Motorsport Division in 2019 was around EUR 20mio with ca. 90 FTEs.

Weerts Group's main goal is the creation of value for its stakeholders in a sustainable manner. It has ambitious growth plans and aims to build great enterprises for generations to come. To realize our mission, we want to hire for the WSC, Logistics Division the best as:
